CITY ATTORNEY SENDS LETTER TO MAYOR REGARDING “LOBBYING EFFORTS” BY ONE OF HIS CHIEF DEPUTYS ON SUNROAD MATTERS

This morning City Attorney Michael Aguirre sent a letter to Mayor Jerry Sanders regarding concerns that the City's Deputy Chief Operating Officer for Land Use and Economic Development has been "actively lobbying City Council members to procure support for a proposal to the Federal Aviation Administration (FAA) to permit the Sunroad Centrum 1 Tower ("Tower"), to remain at a height of 166 feet above ground level ("AGL") and, at that height, be declared not a hazard to air navigation at Montgomery Field Airport."

In the letter, the City Attorney requests that the Mayor "take action to curtail further interference by the Deputy Chief in this very critical process."
